PRESS RELEASE

DATE: May 10, 2019

HEADLINE: Sunnyside Pool Ready for Summer Fun!

The hot weather is here and the time is fast approaching to dip your toes in to the City of Sunnyside's Olympic size heated public pool.

For the 2019 pool season, the pool will open to the public on Saturday, June 15th for open swim beginning at 1:00 pm. After June 15, the pool will have open swim, lap swim and family swim sessions Sundays through Fridays.

On future Saturdays, the City of Sunnyside is planning lots of fun events and opportunities for citizens or businesses to rent the pool for private parties throughout the summer. There will be a dive-in movie event where you can watch a movie in the pool and a pool carnival with games and prizes. Businesses can sponsor a free open swim or have a pool party for their employees. See the City of Sunnyside's website for dates and times or flyers at the pool.

The pool will begin thirty-minute swimming lessons on June 24th. Lessons are daily for two weeks. Seven different levels from preschool to advanced will give your child the opportunity to learn from trained lifeguards in a safe environment. Lesson sign-ups begin on May 20th at the Community Center and June 15th at the pool.

Come join us for a cool summer at the pool!

If you have questions or need additional information, visit our website at www.sunnyside.wa.gov or call the Community Center at 509-837-8660.
