Said participation shall not compromise the ability of the City to settle the suit if it deems that course advisable. If final judgment be rendered against the Department, its officers, agents, and employees, or any of them, or jointly against the Department and the City and their respective officers, agents, and employees, or any of them, the City shall satisfy the same.

Section 6.2 The Department agrees to indemnify and hold harmless the City and its officers, agents, and employees, or any of them, from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason of or arising out of any negligent act or omission of the Department, its officers, agents, and employees, or any of them related to the services provided under this agreement. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the Department agrees to defend the same at its sole cost and expense; provided that the City retains the right to participate in said suit if any principle of governmental or public laws is involved. If final judgment is rendered against the City, its officers, agents, and employees, or any of them, or jointly against the City and the Department and their respective officers, agents, and employees, or any of them, the Department agrees to satisfy the same.

Section 6.3 In executing this Agreement, the City does not assume liability or responsibility for or in any way release the Department from any liability or responsibility, which arises in whole or in part from the existence or effect of Department rules or regulations.
