(NOTE: It is common for staff to include late-arriving or after-deadline notices. Prior notice is appreciated.)

The Sunnyside Sun, long recognized as the local community newspaper for Sunnyside residents, continues to be the largest paper of circulation for not only Sunnyside but our surrounding communities. Legal notices are offered to the reading public in numerous ways, including the weekly print edition, our e-edition and through a statewide network administrated by the Washington Newspaper Publishers Association.

The majority of Washington communities utilize weekly newspapers as their source for publishing legal/public notices, often because of price but also of the knowledge that the local newspaper is often their best method of reaching their core audience. We attest to comply with all bid requirements.
