#### Section 7, Dispute Resolution; Remedies

- A. In the event of a dispute between the Parties regarding their respective rights and obligations pursuant to this Agreement, the disputing Parties shall first attempt to resolve the dispute by negotiation. If a dispute is not resolved by negotiation, the exclusive dispute resolution process to be utilized by the Parties shall be as follows:
1. Step 1. Upon failure of those individuals designated by each Party to negotiate on its behalf to reach an agreement or resolve a dispute, the nature of the dispute shall be put in writing and submitted to City's CEO and the County Public Services Director, who shall meet and attempt to resolve the issue. If the issue in dispute is resolved at this step, there shall be a written determination of such resolution, signed by City's CEO and the County Public Services Director, which determination shall be binding on the parties. Resolution of an issue at this step requires concurrence of both parties' representative. If not resolved in thirty (30) days, this issue may be taken to Step 2.
  2. Step 2. Upon failure of the City's CEO and the County Public Services Director to negotiate on its behalf to reach an agreement or resolve a dispute as provided in Step 1, the nature of the dispute shall be put in writing and submitted to the respective officials of the RSWG, who shall meet and attempt to resolve the issue. If the issue in dispute is resolved

at this step, there shall be a written determination of such resolution, signed by City's CEO and the County Public Services Director, which determination shall be binding on the parties. Resolution of an issue at this step requires concurrence of both parties' representatives. If not resolved in thirty (30) days, this issue may be taken to Step 3.

3. Step 3. In the event a dispute cannot be resolved at Step 2, the Parties shall submit the matter to mediation. The Parties shall attempt to agree on a mediator. In the event they cannot agree, the Parties shall request a list of five (5) mediators for the American Arbitration Association, or such other entity or firm providing mediation services to which the Parties may further agree. Unless the disputing Parties can mutually agree to one mediator from the list provided, each Party shall strike a name in turn, until only one name remains. The order of striking names shall be determined by lot. Any common costs of mediation shall be borne equally by the disputing Parties, who shall each bear their own costs thereof. If the issue is resolved at this step, a written determination of such resolution shall be signed by both Parties. Resolution of an issue at this step requires concurrence by both Parties.
3. Step 4. If any dispute is not settled in Step 3, either Party may request binding arbitration. The Parties shall agree, within ten (10) days of the completion of Step 3, on an arbitrator who shall be an attorney licensed to practice law in Washington (or a retired attorney) or a retired Washington judge, to resolve the dispute. If they are unable to agree on an arbitrator within ten (10) days, then each Party shall appoint an arbitrator. The two arbitrators shall choose a third. If the choice of the second or third arbitrator is not made within ten (10) days of the choosing of the prior arbitrator, then either Party may apply to the presiding judge of the judicial district of Yakima County to appoint the required arbitrator. The arbitrator(s) shall proceed according to the Washington statutes governing arbitration, and the award of the arbitrator(s) shall have the effect therein provided. The arbitration shall take place in Yakima County. Costs of a single or any third arbitrator shall be shared equally by the Parties. Each Party shall pay their own arbitrator. The arbitrators may allow discovery, as provided by Washington law and may grant any remedy or relief which the arbitrator(s) deem just and equitable and within the scope of the agreement of the Parties, including, but not limited to, specific performance of any obligation created under the agreement, any interim or provisional relief that is necessary to protect the rights or property of the Parties, or imposition of sanctions for abuse or frustrations of the arbitration process.

B. Parties may mutually agree in writing to waive any of the above steps, or to enter into alternate processes or additional processes.

#### Section 8. Attorney Fees

In the event any Party shall institute arbitration as set forth in this Agreement (or any other dispute resolution proceeding) against any other Party to this Agreement, in any way arising out of, connected with or relating to this Agreement, the prevailing Party in that arbitration (or any other dispute resolution proceeding) shall be entitled to recover, in addition to all other appropriate relief, the prevailing Party's costs and reasonable attorney fees incurred in that arbitration (or any other dispute resolution proceeding), said amount to be set by the arbitrator (or courts) before which the matter is tried, heard or decided.

Section 9. Modifications or Amendments

No amendment, change or modification to this Agreement shall be valid, unless in writing and adopted and signed by all the Parties hereto.

Section 10. Final Agreement/Merger

This Agreement contains the final and entire agreement between the Parties and is entered into with the understanding that all prior discussions, representations and agreements are merged into this Intergovernmental Agreement.

Section 11. Duration

Section 12. Termination

Parties may terminate their obligations under this Agreement for the reasons listed below. The Permit requires that permittees notify Ecology of any/all amendment or termination actions.

- A. If a Party materially defaults in the terms of this Agreement and such default continues for a period of more than thirty (30) days after written notice from the Public Services Director to the defaulting Party specifying the nature of the default. If the default cannot reasonably be cured within thirty (30) days, such default shall be a material breach if the breaching Party fails within thirty (30) days of written notice to commence and pursue curative action with reasonable diligence. One Party's termination by default does not constitute termination of the Agreement by the remaining Parties. This Agreement will be modified to define financial obligation of the remaining Parties.
- B. If the provisions of this Agreement become impracticable due to a change in the law or other changed circumstances, which did not exist at the time of the signing of this Agreement.
- C. Any Party may withdraw from the Agreement upon thirty (30) days written notice to the other Parties. Withdrawal of one Party does not constitute termination of the Agreement by the remaining Parties. In the event of a Party's withdrawal this Agreement will be modified to define the financial obligations of the remaining Parties.

Section 13. Language; Headings

Where the context so requires the singular shall be deemed to include the plural, the plural the singular, and the masculine, feminine or neutral to mean the other. The paragraph captions shall not be used to construe or interpret this Agreement.

Section 14. Drafting; Construction

Each Party intends that this Agreement in all respects shall be deemed and construed to be equally and mutually prepared by all Parties and it is hereby expressly agreed that any uncertainty or ambiguity shall not be construed for or against any Party.

Section 15. Severability

If any provision of this Agreement shall be invalid or unenforceable in any respect for any reason, the validity and enforceability or any such provision in any other respect and of the remaining provisions of this Agreement shall not be in any way impaired.

Section 16. Effective Date / Counterparts

This Agreement may be signed in counterparts, with each Party hereto receiving copies of all participating Party's fully executed signature pages. This Agreement shall become effective when executed by all Parties hereto.
