### NOTICE TO APPLICANT:

This permit becomes null and void if the work or construction authorized is not commenced within 180 days or if work or construction is suspended or abandoned for 180 days at any time after work is commenced or if work is not complete within one (1) year from date of issue.

All work shall be done in accordance with the approved plans, except where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval for the City.

It is the responsibility of the permittee to obtain the required inspections. Failure to notify this department that the work is ready for inspection may necessitate the removal of some of the construction materials at the owner's expense in order to perform such inspection.

I hereby certify that I have read this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provision of any other state or local law regulating construction or the performance of construction.
