Dear Mr. Martin,

This office has reviewed the proposed project. Sunnyside Valley Irrigation District (SVID) has the following comments:

- SVID DR 3 drainage pipeline is located along the west and south boundaries of the project area. There is also an SVID flowmeter delivery assembly in the northeast corner, adjacent to Sunnyside Mabton Hwy. An SVID Crossing/Encroachment Permit will be required for any work within the SVID easement.
- The Port of Sunnyside has been in contact with SVID, and is working with us regarding SVID facilities within the project area.

Thank you for the opportunity to comment. Please contact Diane Weber at (509) 837-6980 or weberd@svid.org if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Ron Cowin".
