

VACATION HOUSE CHECKS

10

Private residences which are left vacant when the owners are out of town are prime targets for burglars. In an effort to reduce the burglary threat, the department will provide increased patrol for residents who are away from home.

Vacation security service will be provided for persons who will be away for at least four (4) days and no more than fourteen (14) days.

Requests for security service lasting less than four (4) days or more than fourteen (14) days will be posted as a "close patrol".

All single family residences which are currently occupied are eligible for vacation security services. Residences not inhabited, such as houses for rent or sale, are not eligible for vacation security service. However, they can be listed for "close patrol".
